

Plan Management and Delivery System Reform Advisory Group Nomination/Application Form

Covered California is requesting nominations for its Plan Management and Delivery System Reform Advisory Group for terms beginning in 2015. The group will be comprised of approximately 15 members and will meet at least quarterly beginning in January 2015. Additional meetings may be scheduled as needed. Current Advisory Group members are invited to re-apply. Advisory group members will be selected by Covered California for an initial two-year term. Advisory group members will serve on a voluntary basis but will be compensated for necessary travel expenses. Additional details regarding this group and other stakeholder activities can be found on Covered California's [stakeholder page](#).

Advisory Group Scope

Health plans offered through Covered California must be certified to ensure they meet federal and state requirements for "qualified health plans." The Plan Management and Delivery System Reform Advisory Group will provide input on qualified health plan selection, monitoring, re- and decertification, quality rating and ongoing benefit design issues. The group will also provide input on strategies to promote better value and improve the health care delivery system to best facilitate Covered California's mission to improve the health and wellness of Californians, improve health care quality, lower health care costs and reduce disparities.

Membership

Covered California is seeking nominations of individuals with the following experience:

- Health plans
- Health care providers
- Health care delivery and public health experts from independent academic, research or public health entities
- Small business representatives and self-employed individuals
- Consumer advocates with direct and substantial experience in health care
- Large employers or large employer coalitions with direct and substantial experience in purchasing health care
